Hi,

If you have not heard, I wanted to let you know that the new DTSC director Barbara Lee plans to meet tomorrow with the following community representatives, Marie Harrison and Mavis Williams, to hear of their concerns regarding the Hunters Point and Treasure Island cleanup activities. Initially she indicated that she might want a tour of the sites with Navy and DTSC staff, but then she changed her mind. She has not asked for a briefing of the Sites history or cleanup activities, but that may come at a later date. She just wants to meet with the community representatives to hear their concerns at this time.
